Distinguished Achievement Award 2010

The Australasian Sleep Association established the ASA Distinguished Achievement Award, in 2008.

This award is designed to recognise, and honor exceptional achievements in the fields of sleep health and sleep science by ASA members. This award will be presented by the Australasian Sleep Association at its annual scientific meeting. It will be awarded to an individual member who has either made:

- (i) a high impact, highly original and important contribution, or
- (ii) ongoing sustained, and significant contributions

to the fields of sleep health and sleep science in Australasia and internationally.

These achievements may include, but are not limited to, research, education, policy development.

Nominations for this award will be received from the ASA membership, reviewed by the ASA Research Committee, with a recommendation to and final endorsement by the ASA Board.

If you wish to nominate an ASA member for the Australasian Sleep Association Distinguished Achievement Award, to be awarded in Christchurch at Sleep DownUnder 2010, please complete the nomination form and email it to: admin@sleep.org.au or fax to: +61 2 9672 3884. Nominations close 31st July 2010.

Eligibility criteria:

The nominee must be a current member of the Australasian Sleep Association.

A case must be put forward to demonstrate that the nominee has made a highly significant contribution to sleep health and sleep science in Australasia and internationally.

There will be no age limit. A member may only receive one ASA Distinguished Achievement Award.
